ASAN INTERNATIONAL CORPORATION

Shipping Services:

The employees of ASAN INTERNATIONAL have collectively been involved in Shipping and Off Shore activities for over 200 years and have a vast experience in every sector of the Maritime industry.

Location wise ASAN INTERNATIONAL is situated in the maritime cluster of Piraeus, Greece, where significant advantages are gained in terms of access to ship owners, financiers, technical knowledge, crewing, etc., being the center of commercial shipping and the home to the biggest ship owning, ship management and brokering companies and institutions in the world.

The relationship with these entities, and many others worldwide based, has enabled the company to gain advantages and add value to the services they provide.

ASAN INTERNATIONAL group and partners has an excellent relationship and reputation with Owners, Charterers, Brokers, Insurance companies and the Banking community, maintaining a truly first-class record over the decades.

ASAN INTERNATIONAL group is also close to sign contracts with various Owners in order to manage new building and repair projects in various shipyards in Korea, China and Japan.

The activities of the Group are summarized as follows:

SHIP & Port MANAGEMENT:

- Commercial Management
- Operational Management
- Technical Management
- Crew Management
- Marine Safety and Quality Management
- Port Management Services

BROKERAGE:

- CPP and DPP cargoes from any size up to VLCC'S
- Specialized Chemicals, not only but, amongst others, Methanol, Ethanol, PX, MX, Glycols, EDC, etc.
- Gas Carriers LPG / LNG up to VLGCs
- Veg oils, Palm Oils, Molasses
- Dry Cargo / Container Vessels / Bulk Carriers
- Supply Vessels

SALE AND PURCHASE:

- New buildings
- Second hand
- Off Shore
- Conversion candidates
- Supply vessels & Tug Boats such as AHTS, ASD, ...
- FPSO Vessels (Floating production storage and offloading)

MARINE INSURANCE AND FINANCING:

Tailored made solutions can be provided to any need you may have in financing and insurance, including but not limited to bank financing, PNI coverage and insurance, H&M insurance, etc.

SOLUTION FOR THE PRESENT SITUATION

Once investment funds are available ASAN INTERNATIONAL group is in the position to purchase/Hire any kind of Tankers and Carrier and obtain the A-Z operation management & Commercial management so they can be sourced and we will then be able to propose these vessels to Charterers for business either on a Time Charter basis, COA basis or spot voyage basis, whichever is most appropriate for the investor(s) and most convenient to serve Charterers needs.

As mentioned the same principal can be adopted for any type of vessel of any size, either chemical, product, crude or even bulk carriers, whichever is most suitable for Charterers specific requirements and trade.
